## East-West Negotiations Rapidly Reaching Climax

### Expect Lift Of Berlin Blockade

Washington, July 31.—(P)—Negotiations between the western powers and Russia over the Berlin crisis appeared tonight to be moving toward a climax much more rapidly than had been expected by officials here.

Word from Moscow that foreign minister Molotov had interrupted his reported vacation to receive American and British envoys was received without official comment at the State Department.

An Associated Press dispatch on the development, however, reached here well ahead of the official report expected from ambassador Walter Bedell Smith and on major events the department frequently withholds comment pending receipt of its own information.

### Conference Lasts Over An Hour

The fact that Smith talked with Molotov for more than an hour suggested the Soviet government has now been fully informed of the decisions recently made by the United States, Britain and France to insist on their rights to have the Berlin blockade lifted and to stand ready to enter broad-scale negotiations with the Soviets if it is lifted.

A London dispatch tonight quoted a British diplomat as saying that the western position had been presented in written form last night to Valerian A. Zorin, deputy foreign minister, who was in charge of the foreign office during Molotov's absence. This report was unconfirmed in Washington.

### Talked Separately With Zorin

Smith's special envoy, Frank Roberts, and French ambassador Yves Chataigneau talked separately with Zorin Friday night but it was understood here that their chief purpose was to urge upon him the necessity of conferring with Molotov, or perhaps in his absence Premier Stalin, at the earliest opportunity.

The speed of Molotov's response to this request surprised officials here. Opinion at the State Department earlier today had been that there probably would be no major developments in the situation until Monday or Tuesday. Molotov's action may mean that the Soviets are now as ready as the western powers for the showdown hand on Berlin.

## Police Capture Convict In Corn Field Near Urbana

Urbana, Ill., July 31.—(P)—Some 75 policemen surrounded an 80 acre cornfield today and after five hours of beating through the eight foot corn captured Ernest "Boodles" Connors, Hoopston, Ill. Negro.

"Boodles" already has started serving a 15 years to life prison sentence that was waiting for him. Last Saturday "Boodles" was sentenced under the habitual criminal act upon conviction of burglary and larceny. He was charged with stealing a 500 pound safe containing \$7,230 from the home of Wardell Jackson. The empty safe later was found under a concrete floor of a new building at the University of Illinois.

Circuit Judge Charles E. Keller sentenced the Negro even though he could not be found. Judge Keller issued a bench warrant for immediate imprisonment under the sentence.

Today, Sheriff Joseph T. Clancy got a tip that "Boodles" was to meet another Negro in the cornfield north of here. Police followed the other man and saw "Boodles" emerge from the cornfield only to disappear back again.

The police surrounded the field and got four airplanes overhead for spotting and then worked through. It took five hours before they finally caught him.

## Chicago Nightclub Robbed By Trio

Chicago, July 31.—(P)—Three robbers forced a nightclub manager to break off a telephone conversation today to help them collect \$3,500.

The three men, one carrying a sawed-off shotgun and the others armed with pistols, entered the Rio Sabana, 400 N. Wabash Ave., by posing as deliverymen.

They surprised Mrs. Mary Leer, 40, as she counted last night's receipts. Spotting the night club owner, Harry Jacobson, 55, talking in a telephone booth, one of the robbers told him to say "goodbye." Jacobson was forced to open a safe in his office, and was divested of a diamond ring and his wallet.

### CHESTER, ILL. MAYOR DIES

Chester, Ill., July 31.—(P)—Charles L. Oetting, 49, mayor of Chester for the past eight years, died last night following an illness of several months. He is survived by his wife and a son.

Among state statutes in the United States, a total of 28 different grounds for divorce are recognized.

## Oil Companies Lead High Profit Parade This Year

New York, July 31.—(P)—High profits, with oil companies in the lead, are marking the trend for American industry in the first half of 1948, an analysis of earnings reports showed today.

Terrific gains compared with 1947 are common. "Highest in history" is a phrase repeated constantly.

But at the same time, there was a clearly marked slowing down here and there in the rate of profits increased this year over last.

Companies are not embarrassed with their explanations of these

mounting profits. For one thing, they point to the sharp decreases in the rate of profit gain in other companies and say: "This could happen to our company, too."

### Increase Stockholders Wages

And again: "Wages for workers have gone up, so why not increased wages to stockholders, too?"

There is growing talk about "break-even points." Gross income must be very high before profits appear, companies explain, but when gross income drops the profits will disappear rapidly. Furthermore, cost of replacing equipment has soared.

All companies have their eyes on the future. Some talk of taking their profits and saving them away for future expansion or putting them into research on new products.

That is a slow-down program. They hope to reap a harvest of profits in the lean years. "We are growing fast now," said one executive, "but the lean years are sure to come."

### Study Profits Of Other Companies

A study of profits of 200 companies making their reports this week showed:

Oil companies have the highest percentage gain, in many cases more than double a year ago. Utilities, and food and distilling industries fared among the worst in profit gains. A few companies, notably airlines, made no profit at all.

Railroads gained, but not in the spectacular manner of oil. Most of the increase fell in the range of 25-35 per cent. Some very few boosted earnings three and four times higher than last year.

Steel companies ranged all the way from a modest fraction of one per cent to more than 100 per cent in gains over 1947. Most of them in the first six months. In the latter class, profits in the second quarter seemed to turn upward from the 1947 level.

The French position was supported by Britain and Austria.

This was a few hours after Vishinsky had served notice that "we are going to have a Danube conference here and we are going to put it to work even though a small minority may disagree with us."

Russia and her six satellites—Yugoslavia, Romania, Czechoslovakia, Hungary, Bulgaria and Soviet Ukraine—have the power in the conference to vote anything they want, as long as they stick together. Austria, the 11th member of the conference, lost her fight for voting rights today and is only an observer. The vote was seven to two, with France abstaining.

## Dewey, Truman Speak Together At Dedication

New York, July 31.—(P)—With a backdrop of the nation's mightiest peacetime display of a power, President Truman declared today that America was determined to remain strong in the cause of peace.

The president made his statement as he joined Gov. Thomas E. Dewey, his Republican presidential rival, in dedicating the 5,000-acre New York international airport at Idlewild—greatest in the world.

Mr. Truman termed the new field "the front door of the United Nations," while Dewey described it as a symbol of peace and "a powerful implement for peace."

A crowd officially estimated at 215,000, together with members of the president's cabinet, a large congressional delegation, and representatives of 30 foreign nations, witnessed the history-making get-together of the presidential candidates.

The occasion marked the first time in modern American political annals that candidates for the presidency of the two major parties had met publicly and spoke from the same platform.

When Mr. Truman arrived at the reviewing stand after a 52 minute flight from Washington, he was greeted by his rival for the White House.

"I'm glad to welcome you here," said Dewey, shaking the president's hand.

"It's nice to see you again," replied Mr. Truman.

Both candidates smiled cordially. Neither Mr. Truman nor Gov. Dewey was interrupted by applause during his speech. Both were applauded in approximately the same volume when they finished.

## Buckley Appointed To Atomic Board

Washington, July 31.—(P)—President Truman today appointed Oliver E. Buckley, president of the Bell Telephone Laboratories, New York, as a member of the general advisory committee of the atomic energy commission.

He reappointed Cyril Stanley Smith of Illinois and I. I. Rabi of New York.

## Nuernberg Court Sentences Krupp And 10 Directors

Nuernberg, Germany, July 31.—(P)—Alfried Krupp Von Bohlen und Halbach, 41-year-old heir to the vast Krupp munitions empire, was sentenced today to serve 12 years for exploiting slave labor and plundering occupied countries under the Nazi regime.

An American military court convicted Krupp and 10 high Krupp officials of war crimes in a 50,000 word judgment handed down by a three-man tribunal.

Sentences ranging from 34 months to 12 years were meted out to the other 10 defendants. Of the 12 men tried, only Karl Heinrich Pfirsich, 71-year-old dean of the Krupp board of directors, was acquitted on all counts.

The judges, who reached a verdict that the convicted men were guilty beyond "a reasonable doubt," were headed by Judge H. C. Anderson of Jackson, Tenn. The other two were Judge Edward J. Daly of Hartford, Conn., and William J. Wilkin, of Seattle, Wash.

The sentences came after a six-month trial. The Krupp officials originally were indicted on three counts of planning to wage aggressive war, plundering the property of conquered countries and exploiting slave labor.

The most serious charge, that of conspiring aggressive war, was dismissed after a month's testimony for lack of evidence. The main reason for the dismissal was that the prosecution had aimed most of its evidence at old Gustav Krupp, then found him too ill to face trial. Alfred Krupp is his son. He entered active participation in the firm in 1943.

### National Guard To Begin Flight Maneuvers Today

Chicago, July 31.—(P)—Actual bombing, aerial gunnery, and rocket firing will highlight the Illinois National Guard's flight maneuvers which begin tomorrow.

More than 70 A-26 light bombers and P-51 Mustang fighters of the 66th fighter wing will range over the midwest during a two-week period, wing headquarters announced. They will fly out of Orchard Place airport, Park Ridge, and Peoria's municipal airport.

More than 1100 air guardsmen will participate. On August 8-9, the Illinois unit will be joined by the rest of the wing from Michigan, Missouri, and Wisconsin in a mass air counter-offensive against Milwaukee. The 66th, commanded by Brig. Gen. Frank Allen, will use its 200 planes to simulate bombing and strafing of enemy ground positions and fleet.

Chicago, July 31.—(P)—Busy Chicagoans thought it would be just another trade show. They were wrong.

The Chicago railroad fair has mushroomed into a mammoth crowd catcher. Attendance topped 350,000 the first week. That's more than half the number of first-week visitors to the 1933 world's fair.

The nation's railroads are celebrating a century of progress in hauling America's people and their property.

Sprawled along the shoreline of Lake Michigan is enough railroad-rigging equipment to satisfy a trainload of small boys.

Visitors crowd through narrow gauge wood burners, sleek new diesels, an astral domed "Train of Tomorrow," aluminum box cars, stainless steel diners and sleepers with double bedrooms for a whole family.

Four times a day "Wheels A-Rollin'" tells a picturesque story of westward expansion and industrial growth.

"Wheels" is an hour-and-a-quarter pageant presented on a 450-foot futuristic stage. Lake Michigan is the backdrop.

Some 200 actors and a score of famous old locomotives bring back the days of the covered wagon, pony express and stage coach robberies.

Three sets of railroad tracks run across the stage. Nearby, a rodeo plays to a thousand people every hour.

In a setting of six-foot cactus and mud pueblos, Indians from the Southwest stomp through ceremonial dances.

A narrow gauge mining train carries visitors around the grounds. Twelve U. S. states have laws forbidding a man from marrying his mother-in-law.

### Second Term Candidates Usually Stay Near Home; '48 Campaign May Be Different

By Alexander R. George  
Washington, July 31.—(P)—President Truman's campaign may turn out to be the most extensive and "fighting"—ever waged for a second term.

During the past half century of Republican-Democratic struggle every president except Harding has been nominated for a second term. He died in his first term.

Only three of the pre-Truman second term candidates—William H. Taft, Herbert Hoover and Franklin D. Roosevelt—made regular stump tours, and those tours were launched late in the campaign season.

"Non Political" Inspection Trip  
President Roosevelt made a so-called "non-political" inspection trip to the dust bowl in the summer of 1936 that Republicans said was a bid for reelection. He and Republican Candidate Alfred M. Landon

met and exchanged compliments at a drought conference in Des Moines. President Truman got an early start with a political speaking trip to the west coast before the Republicans had chosen their presidential candidate. Democratic plans call for more vote-seeking trips by the president to all parts of the country.

Next Oldest Second Term Seeker  
Mr. Truman, 64, is the second oldest candidate to campaign for a second term. Andrew Jackson was 65 when he successfully ran for reelection in 1829. Senator Alben W. Barkley, 70, is the oldest vice presidential nominee in history.

William McKinley, Calvin Coolidge and Woodrow Wilson "front-porch" to second term victories without making any so-called full-fledged appeals for voter support. Even the strenuous Theodore Roosevelt conducted a "silent campaign" against Democrat Alton B. Parker

## Ex-Spy Names Two More Officials At Hearing

### Ambassador Visits With Molotov; Refuses Comment

Moscow, July 31.—(P)—U. S. Ambassador Walter Bedell Smith saw Russian Foreign Minister V. M. Molotov this evening. It was officially announced by the American embassy here.

After he had talked with the Soviet official for more than an hour, Smith said: "I have no comment."

Smith was notified late this afternoon that Molotov had returned to the Russian capital especially for talks with him and British and French representatives in Moscow and would see him immediately. The U. S. ambassador lost no time accepting the appointment. He went straight to the Russian foreign office.

Smith's appointment with Molotov was arranged after the ambassador had requested a conference with the Soviet spokesman. The U. S. official had been informed yesterday by Russian authorities that Molotov was on vacation.

Frank Roberts, private secretary to British Foreign Secretary Ernest Bevin, told reporters he also had seen Molotov this evening.

Smith's conference with Molotov followed his talk last night with Soviet Deputy Foreign Minister Valerian A. Zorin. He conferred for about an hour and a half with Zorin after it had been officially stated by the Russian foreign office that Molotov was "out of town."

Reliable American sources in Moscow indicated Smith had told Zorin that in view of the urgency of the subject he hoped to have an opportunity to discuss it with Molotov personally. Smith said he had "no comment" to make following his talk with Zorin.

Roberts also conferred with Zorin last night as did the French ambassador to Moscow, Yves Chataigneau.

Molotov apparently returned from his vacation in view of the urgency of the subjects being pressed by Smith, Roberts and Chataigneau.

### Postpone Closing Centralia Sister Kenny Clinic

Minneapolis, July 31.—(P)—Closing of the Sister Elizabeth Kenny Clinic at Centralia, Ill., scheduled for this week, has been temporarily postponed, Marvin Kline, executive secretary of the Kenny Foundation, announced today.

Kline said the decision was made by the executive committee of the foundation to give Centralia and Illinois committees opportunity to comply with medical and operational requirements of the Kenny Foundation National Office.

"The continued operation of the Centralia clinic has been approved subject to the condition that the Centralia committee obtain a resident certified pediatrician and orthopedist," Kline said in a statement.

He added that further operation of the clinic depends also upon the securing of necessary funds by the Centralia committee.

Kline said there had been reports that some questions had been raised as to legality of the clinic's operation.

He said assurance has been received that the clinic is being operated in compliance with state requirements.

Kline quoted a July 23, 1946, letter from Dr. Ronald R. Cross, Illinois director of public health, as saying:

"So far as any state laws or regulations are concerned, the Sister Kenny Clinic at Centralia may remain open and continue to operate indefinitely."

## Communists Gain Strength In Red Controlled Hungary

London, July 31.—(P)—The sudden resignation of Hungary's president Zoltan Tildy gave the Communists a chance to strengthen their position in still another Soviet satellite.

Tildy, who held his post for more than two years because of his willingness to "cooperate" with the Communists in every political crisis, was the last important leader of the once-powerful conservative small-holder's party to leave the government.

Some European newspapers and politicians immediately drew comparisons between Tildy's resignation on Friday and that of president Benes of Czechoslovakia. First reports led London observers, however, to believe there will be few immediate political repercussions, either in Hungary or elsewhere in eastern Europe.

American sources in Berlin said Tildy's resignation was not expected to have any reaction on the latest western power approach in Moscow to discover if there is a way to end the dispute with Russia over Germany.

A British foreign office spokesman viewed the Hungarian development as "another step in the gradual consolidation" of Communist power.

### Tobin Rejects Sec. Of Labor Appointment

Indianapolis, July 31.—(P)—An associate of Daniel J. Tobin, president of the International Brotherhood of Teamsters (AFL), said today Tobin had rejected appointment by President Truman as secretary of labor.

Thomas E. Flynn, Tobin's executive assistant, said the Teamsters' chief also had declined the appointment from President Roosevelt.

"Never before has publicity been given to Mr. Tobin's refusal to become a cabinet member, not once but twice," Flynn wrote in the August issue of "The International Teamster."

The article said President Truman called Tobin to the White House last June 29 and offered him the post vacated by the death of Secretary of Labor Lewis B. Schwellenbach on June 10.

"Mr. Tobin declined the appointment from President Truman as he had declined a similar appointment from President Roosevelt in the fall of 1943," Flynn said.

Flynn said that Tobin also declined to recommend anyone to the president for the vacancy.

"Mr. Tobin's rejection of the offer by President Truman does not indicate a lack of appreciation of the confidence of the president," the article went on. "Nor can it be construed as opposition to President Truman or the Democratic party."

"Instead it was in conformity with Mr. Tobin's determination to remain strictly neutral until the campaign gets under way and the position of both parties and their candidates has become clear."

### Truman Flies Home For Primary Vote

Washington, July 31.—(P)—President Truman took off today at 4:07 p.m. (CST), about an hour behind schedule, in a flight from Washington to Independence, Mo., to vote in the Missouri Democratic primary Tuesday.

Mr. Truman earlier in the day had flown to New York to take part in the dedication of New York's new international airport, Idlewild.

On the return trip the presidential plane, the Independence, paused at the Air Transport Command airfield in Washington for 32 minutes.

The "White House sphinx" made no formal political speeches, and Democrats assailed him for keeping silent on the Ku Klux Klan question. A large majority of the voters decided to "keep cool with Coolidge," and he was an easy winner.

Although election betting odds favored Republican Candidate Charles Evans Hughes in 1916, President Wilson decided early in September not to make a "political campaign." Speakers for Wilson hammered heavily on the slogan "he kept us out of war." It was credited with bringing Democratic victory.

President McKinley spent the 1900 campaign season in the White House and at his home in Canton, O. It was a time of business expansion, which G.O.P. stalwarts attributed to "Republican gold standard, full dinner-pail prosperity."

President Coolidge did some front porch campaigning in 1924 on his father's farm in Vermont. The newspapers and movie reels carried pictures of him wearing a large straw hat, raking hay, and presenting Henry Ford with a sap bucket.

President Roosevelt started his regular stump tour for re-election in 1936 the second week in October. He perhaps could have won that year without making any speeches, but he relished a campaign fight and made extensive trips in the Middle West and the East.

## Wrong Doing Denied By Remington

Washington, July 31.—(P)—A woman who confessed she spied for Russia told amazed congressmen today that one of the late President Roosevelt's confidential aides and a former assistant secretary of the treasury gave out wartime secrets which reached the Soviets.

She named them as: Lauchlin Currie, Nova Scotia-born administrative assistant to Roosevelt from 1939 to 1945, and Harry Dexter White, former assistant secretary of the treasury.

The testimony came from Elizabeth T. Bentley, 36-year-old Vassar graduate, who appeared before the House committee on un-American activities.

Simultaneously, a Senate subcommittee headed by Senator Ferguson (R-Mich.) was questioning William W. Remington, 30-year-old former commerce department official, whom Miss Bentley named yesterday as a Communist who supplied her with secret information during the war.

Remington told the Senators he would have left the government long ago except for "a firm conviction in my innocence."

Remington, who has been drawing \$9,975 a year from the commerce department until placed on "indefinite leave" a month ago by Secretary Sawyer, has held several other positions with the government.

He started the Senate subcommittee today by testifying that he was offered a post with the super-secret atomic energy commission at the very time the FBI was investigating his associations with Miss Bentley.

Although he said he was recommended for the atomic job by Arthur MacMahon, now a member of President Truman's loyalty board, he turned it down because of the FBI investigation.

Thought Miss Bentley Newspaperwoman  
Remington said that when he met Miss Bentley (whom he also knew as Helen Johnson) he thought her a newspaper woman.

"It turned out she is a Communist apparently the most dangerous kind of a Communist," he added.

Remington has denied that he ever belonged to the Communist party, or that he ever gave the Bentley woman any secret or confidential information.

Miss Bentley testified that she became a Russian espionage agent as a result of a love affair with Russian-born Jacob Golos. After he suffered a heart attack in 1942, she took over some of his work. But he died in 1944, and she said she became afraid and decided to quit working for the Communists.

A year later, she testified, she went to the FBI in New Haven, Conn., with her story, and on the advice of FBI agents, maintained her spy contacts for another year while they kept a close watch.

Names Other Officials  
In addition to the persons she named on the "Silvermaster" and "Peru" groups, Miss Bentley told the Senators today that a number of other government employees supplied information to her.

These, she testified, included: Duncan Lee, whom she identified as one of the legal advisers to Gen. William Donovan of the office of strategic services.

Helen Tenney, in the Spanish section of OSS.

J. Julius Joseph, once with the war manpower commission and later in the Japanese division of OSS; also Joseph's wife in the publicity division of OSS.

Maurice Halperin, research and analysis branch of OSS.

Robert Miller, head of research for the coordinator of inter-American affairs.

Joseph Gregg, also employed by the CIAA.

Bernard Redmond, of the CIAA press division.

Michael Greenburg, whom she identified as working with Currie.

Asked what types of information Duncan Lee supplied, Miss Bentley said "all types of information, highly secret, on what OSS was doing."

Destroyers pecked at her. Rocket-firing planes blazed away. Planes loosed radar-guided bat bombs, which missed. The U.S.S. Nevada still rode the waves.

The great battleship Iowa turned her 16-inch rifles on the veteran of two World Wars. A salvo smacked her. The Nevada belched smoke and defiance. Three cruisers scored hits with no more luck.

At last they called up the torpedo bombers. Several torpedoes hit the Nevada and she rolled with the punch. Then came one which smashed her amidship.

The Nevada could take no more. She rolled over slowly and sank in water five miles deep.

FAMED COMMANDER WEDS  
Knoxville, Tenn., July 31.—(P)—Maj. Gen. James M. (Slim) Jim Gavin, famed wartime commander of the 82nd Airborne division, and Mrs. Jean Emert Duncan of Knoxville were married here today.

## ELIMINATE ALL FARM HAZARDS NOW

Citing 1947 figures of 1,456 killed or injured on Illinois farms, W. W. Whitlock, safety director of the Illinois Agricultural Association has called for the elimination of all farm accident hazards during Farm Safety Week, now in progress.  
"There are generally a number of things around a farm that could cause tragic results, particularly where there are children running about," Whitlock said. "Make sure that it can't happen on your place by removing the hazards."

Whitlock said farmers should treat farm machinery with respect at all times, because machinery is the chief cause of farm accidents.

Of the 1,456 accidents that occurred on Illinois farms last year, 692 were caused by careless handling of machinery, 201 were caused by falls, 156 by livestock, 83 in haying, 40 by explosions, 39 by falling objects, 38 by gunfire, 34 by hand tools, 30 by burns, 30 by lightning, and 113 by miscellaneous causes.

The machine that causes the greatest number of farm accidents is well known as such to the farmers of Illinois—the tractor. Yet every year it causes more and more grief among farmers because of careless handling.

Farm machinery accidents in 1947 were caused by: tractor 247; corn picker, 131; wagon, 60; corn elevator, 53; combine, 44; circular saw, 16; mower, 14; disc, 11; manure spreader, 11; hay baler, 10; and miscellaneous, (plow, sheller, shredder, binder, grinder, cutter, etc.) 95.

## Mrs. Lomelino Suffers Injury Of Leg By Fall

Mrs. David Lomelino of Jacksonville route three is believed to have sustained a fractured right leg when she fell Saturday morning in the 300 block on West Douglas avenue.

She was taken to Our Saviour's

hospital in Cooney's ambulance. X-ray examination was to be made to determine the full extent of her injury.

Mrs. Lomelino was calling at homes along the street for the purpose of selling garden produce when she stepped from a porch and fell to the ground.

Program Given By  
Pastoral Helpers

Chapin.—Mrs. Edna Obert and Miss Irene Hamilton were hostesses to the Pastoral Helpers at the Christian church for the July meeting.

Mrs. Obert presided in the absence of both president and vice-president.

Mrs. Nellie Holmes read the scripture. Roll call was answered by giving a favorite hobby. Mrs. Verna Schone was the program leader. The program was: poem, "Button Up Your Lips," was read by Miss Irene Hamilton; also an article, "With God For Her Pilot," about Helen Keller and her trip to the east to help the blind and the deaf. Refreshments were served during the social hour.

### DeMolay Chapter To Be Chartered At Jerseyville

Jerseyville.—The presentation of charter to Jerseyville chapter Order of DeMolay and public investiture of Chevalier degree upon Jerseyville Chevalier designates will take place Wednesday, Aug. 4, at the Baptist

church playgrounds in this city. Chevalier designates from Jerseyville chapter are William Burch, Hubert Hunter, Thomas Lock, Richard Lock, Melvin Spiegelman. Three designates from Granite City chapter will also receive the Chevalier degree at the same time. They are Everett Steelmeier, Harold Landwehr and Irwin Hilmes.

### Aileen Hymes of Chapin to Wed Robert McKinley

Chapin.—Mr. and Mrs. F. E. Hymes have announced the engagement and approaching marriage of their daughter Aileen to Robert L. McKinley, son of Mr. and Mrs. Vernon McKinley of rural route one, Jacksonville. The date has been set

for Aug. 15 at the home of the bride's parents. Mrs. Luther Brockhouse has returned from a trip to Denver, Colo., where she accompanied Mrs. C. H. Oberbater, who remained for a longer stay.

Most birds in the temperate zones raise a new crop of feathers twice a year.

With every wing beat birds empty heated air from their air sacs and replace it with cool new air.

MODERNIZE *your* CAR WITH

EXTRA LOW PRESSURE TIRES

and *Super Wheels!*

"Say, did you see the new tires and wheels on that car?" That's what folks are asking about the new super extra low pressure tires and super wheels now featured on America's 1948 automobiles. They are wider wheels, larger and softer tires to give smoother, safer ride, better braking and—best of all—they give thousands of extra miles of tire service. Yes and now you can have these same wide-base wheels and tires for your present car. Visit our Changeover Headquarters and learn how you can have these modern wheels and tires. Ask about our liberal trade-in allowance.

We will give free 5 new wheels (on exchange for old wheels) with each purchase of 5 new General low pressure tires and tubes. We have only 10 sets of wheels to offer on this even exchange basis.

### JERSEVILLE

Jerseyville—The Jerseyville area of Eagles will give a dance Saturday evening from 9 to 12 at the local quarters of the organization above the Whiteray restaurant. Music for the occasion will be furnished by the Otis Berry orchestra of Alton. The dance will be open to all Eagles and their friends.

Mrs. Louis Ballard was removed from her home in this city Wednesday morning by Gubser ambulance to the Alton Memorial hospital.

The Jerseyville city council met Tuesday evening and opened bids for the proposed extension of the city sewer system. Three bids were received and placed on file to await the seven-day lapse of time required by the commission form of city government before the contract is awarded.

The proposed extension calls for completion of the unfinished portion of the WPA program sewer and connecting certain lines with the main

system. Ed Kirchner suffered an injury to the palm of his hand Tuesday while working as a screw driver. He was repairing a screen door at his home west of Jerseyville when the screw slipped and punctured the ins of the palm of his left hand.

The Jerseyville Library board met in monthly session at the library Tuesday evening. Among things discussed was the destruction of library property by parties who have frequently placed in recent months. Clues from books and periodicals have been cut out and often torn out by parties wanting the same. Copies of the 1947 J. A. book of the local high school, ve recently been mutilated and pictures removed.

### ASHLAND

Ashland—Mrs. John Stockton returned to her home Tuesday afternoon from Our Saviour's hospital, Jacksonville, where she underwent a surgical operation ten days ago. Hart Brownback spent the first of the week at St. John's hospital, Springfield, where he had some teeth extracted.

Arthur Plinn has returned to the Jailer's Home at Quincy, after several days stay at the home of his mother, Mrs. Abbie Plinn.

Howard Senter is visiting in Peoria at the home of his cousin, Reginald Senter.

Miss Catherine Eilers left the fore part of the week on a two week's trip to Canada.

Nate Wright underwent a surgical operation at St. John's hospital Monday morning.

### CALIFORNIA GUESTS

Mr. and Mrs. Loren Sheppard, son Donald, and Mrs. Dottie Jones of Riverside, Calif., have left for their home after visiting relatives in Illinois, Iowa and Missouri.

In this city they visited his brother, Everett Sheppard and family, 1618 South Clay avenue. They also went to Virden to visit Mr. Sheppard's sister, Mrs. John Large.

need a winter coat?  
**EMPORIUM has your zip lined year 'round twill or gabardine coat**  
**\$45**

Thrifty Emporium says: "All you need the whole year 'round is this one coat!" Amazing? Yes. Think of it—you can wear this soft, silky gabardine coat over summer prints. You can wear it as a topcoat over fall suits. Then when the thermometer dips, you merely zip in the warm wool lining. Presto! you have a winter coat. This coat is the perfect answer to the career girl's budget problems. But it's as smart as coats that cost twice the \$45 price. Tailored from pure wool gabardine. They saddle stitched the yoke back, collar, and cuffs. 4 gore back with full flaring swing, detachable hood. Rayon satin lining. Gray, forest green, brown, black, natural, and wine. Sizes 10 to 18. Write, phone. Give 2nd color.

Small down payment puts this coat on your back. You pay for your coat while you wear it on EMPORIUM'S payment plan (service charge). Or use EMPORIUM lay-away plan. Small down payment keeps your coat in safe free storage until fall.

## They'll Do It Every Time

Registered U. S. Patent Office

By Jimmy Hatlo

## Install Automatic Stamp Vendors At Post Office

An automatic stamp vending machine to dispense postage stamps at face value was placed in operation by the U. S. Post Office Department in the lobby of the Jacksonville Post Office on July 30, thus inaugurating a new convenience which is part of the Department's plan to continually improve and expand its service to patrons.

They will be installed at convenient spots in Post Office lobbies throughout the country to dispense commonly used denominations of postage stamps. Post office patrons will be spared the delay of standing in line during rush hours, and stamps may be purchased at any house, business offices, banks, in-

hour of the day or night and on Sundays and holidays whether or not the stamp window is open.

Automatically operated by the insertion of a coin, the machine issues five 1c stamps for a nickel, two Air Mail stamps for a dime and five 3c stamps for a nickel and a dime. It is equipped with a sensitive detector mechanism which rejects spurious coins and is rendered inoperative when the supply of stamps is exhausted.

Development and perfection of the machine to meet the specifications set up by the Department and the exacting requirements of the National Bureau of Standards was accomplished by Commercial Controls Corporation, Rochester 2, New York. Initially the machines will be placed in U. S. Post Offices, but since they will also be available commercially, it can be expected that soon they will be used everywhere—in department stores, hotels, apartment stamps may be purchased at any house, business offices, banks, in-

insurance companies, and wherever else stamps are commonly sold as a service to patrons or employees.

## Births

Mr. and Mrs. Lloyd Walker, 315 Locust street, are the parents of a daughter, born at 9:40 a.m. Saturday, July 31 at Our Saviour's hospital.

## IMPORTANT FACTS ABOUT VOLUNTEERING and the DRAFT

EVERY able-bodied young American who did not bear arms in World War II has a direct, personal interest in the new Selective Service Law. Here are the facts:

The most important thing to remember is that the U. S. Army will continue to rely on voluntary enlistments as its primary source of manpower.

Selective Service will be used only to make up the difference between authorized strength and the number of volunteers. If there are not enough volunteers to do the job, young men of 19 to 25 will be subject to call for 21 months of service, with an additional 5 years in inactive reserve status.

You may prefer to choose from a number of other courses open to you.

**First**, if you are 18 you may volunteer within limited monthly quotas, for one year's training with the Army of the United States. Up to 110,000 men, in monthly increments of 10,000, in this classification can be accepted. Following active duty you must, if offered the assignment, serve 4 years in an organized unit of the Reserve or National Guard; or, if not offered such assignment, serve 6 years in the inactive reserve. Either of these requirements may be met by enlisting for 2 or more years in the Regular Army.

**Second**, if you are 19 to 25 you may volunteer for 21 months in the Regular Army. Upon completion of this service you must serve for 3 years with an organized reserve unit or National Guard, or serve 5 years in the inactive reserve. Either requirement may be met by extending your Regular Army enlistment 12 months.

**Third—and best**, you may enlist in the Regular Army for 3 or more years. There are many advantages to this course. Men of 17 to 34 who measure up to high Regular Army

standards can enter on a professional career that has few equals in civilian life. Here are the important facts about these opportunities:

### CHOICES OPEN TO 3-YEAR VOLUNTEERS

**THE ARMY TECHNICAL SCHOOL PROGRAM** permits any young man with a high school education, or the equivalent, between 17 and 34, who enlists for 3 years, to apply for and qualify for one of more than 60 splendid technical school courses taught by the Army, before he enlists. And he can be sure of attending that course after enlistment. If he wins promotion to a technical grade, he can earn the net equivalent of \$4000 to \$5000 a year in civilian pay.

**OVERSEAS SERVICE IN JAPAN OR KOREA** is open to any 3-year volunteer who selects it. Famous combat divisions now in the Far East are doing a magnificent job for democracy and world peace. Men who serve with them will have the advantages of travel and 20% increase for overseas pay.

**CONTINUED EDUCATION** is offered Army volunteers through the hundreds of high school and college courses provided by the U. S. Armed Forces Institute. Most colleges and universities grant credits for courses completed under this educational program.

**OFFICER CANDIDATE SCHOOL**, leading to a reserve commission in the Army, is open to high school graduates, 20½ to 28, who can qualify. Distinguished OCS graduates are commissioned in the Regular Army.

**VETERANS** have special choices open to them, depending on their experience and the Military Occupational Specialties they held previously. With the expanded training program, advancement opportunities will be excellent.

## District Tourney Play Resumes Here Tonight

Play in the Amateur Softball Association's district tournament at Nichols Park resumes tonight with the last two quarter-final contests. At 7:30 p.m. Murrayville tackles the tough Detroit nine. At 9 p.m. Bluffs plays the Roodhouse Indians.

The meet continues Monday night with semi-final combats at 7:30 and 9 p.m. The Jacksonville Farm Implement Dealers clash with Myers Bros. of this city in the opener and two Sunday winners meet in the highlight. The championship contest will be staged Tuesday following a preliminary between the Jacksonville Moose Juniors and the Columbian Squires, two at the top teams in the Recreation club's junior loop.

Crowds at this season's meet have been "excellent" according to officials of the sponsoring Jacksonville Recreation club. A banner brog is expected for the two games tonight, which should be just as good as those which have preceded.

The 1948 tournament has been a series of close and interesting contests, far above the expectations of tourney officials.

## CHICAGO LIVESTOCK MARKET REPORT

Chicago, July 31.—(P)—All classes of livestock were quoted nominally steady today.

That left hog prices running up to \$31.00, a record high, after a week in which all grades of butchers and sows advanced \$1.00 to \$1.50. The record price was paid yesterday when arrivals dropped sharply. Not many head brought the peak price, but then there weren't many high choice lightweight butchers offered.

Cattle prices recovered from the previous week's shake out, largely because the run was cut approximately 27,000 head at the 12 large markets. High choice steers brought a top of \$42.00. All classes of cattle higher with the exception of bulls.

Spring lambs gained \$1.25 to \$1.50 for the week as receipts fell to the lowest level of the year.

## Giants Defeat Cubs Twice In Double Header Saturday

New York, July 31.—(P)—The New York Giants took both ends of a double header from the Chicago Cubs 14-9 and 6-3 today to sweep past the Brooklyn Dodgers into second place in the National League. It was their sixth and seventh win in a row. Whitey Lockman's home run with two on in the sixth broke a 3-3 deadlock in the second game. Larry Jansen, aided by a 19-hit attack which included home runs by Johnny Mize, Willard Marshall and Lockman, gained his 14th victory in the opener.

## Wildfowl Hunting Rules For 1948 Announced

Washington, July 31.—(P)—Secretary of the Interior Krug announced today wildfowl hunting rules for 1948.

Longer seasons and larger bags will be allowed waterfowl hunters in the west. Waterfowl rules in the central and eastern states remain unchanged.

The bag limit on coots was reduced from 25 to 15 birds a day. The seasons for rails and mourning doves were reduced from 90 to 60 days and from 60 to 45 days, respectively.

Regulations are based on the abundance of wildfowl as shown by flyway surveys and breeding ground studies.

Illinois, Indiana and Wisconsin have the same rules that applied last year—seasons of 30 days or 12-and-12 days, and daily bag and possession limits of four and eight birds each. Daily shooting hours were changed slightly. Ducks, geese, brant, coot, rails and gallinules may be taken daily from half an hour before sunrise to an hour before sunset.

**Woodcock and Pigeons**  
Woodcock—mourning or turtle doves, white-winged doves and band-tailed pigeons, with a few exceptions, may be shot from half an hour before sunrise until sunset.

On the opening day of the season or of each split hunting period waterfowl and coot may not be hunted before noon.

The woodcock season was doubled

## Bucky Walters Has New Pitch; a Knuckle Ball

Philadelphia, July 31.—(P)—Bucky Walters, veteran Cincinnati Reds hurler, returns to work today after a 60-day enforced layoff with a new pitch added to his repertoire.

The 38-year-old righthander has been on the National League club's inactive list due to an injured knee. But he believes he is ready again for mound duty and Manager Johnny Neuh named him to start the second game of a double header with the Philadelphia Phillies.

During his layoff, Bucky has experimented with a knuckle ball and though he has not mastered it completely he says he may use it occasionally.

"I have asked every knuckle ball pitcher in the league how to throw it," said Walters. "From the composite advice I have worked out something of my own."

"I do think, however, that for a fellow to be successful with a knuckle ball he must throw it a lot—like Dutch Leonard. If he throws it only occasionally he does not have control of it and it will not break well."

"The success of a knuckler depends on how you release it. It must be pushed, rather than thrown."

Bucky needs only two more victories to enter the charmed circle of hurlers who have won 200 or more major league games. He has his eye set on that goal—but he's also very anxious to keep on going.

## NOTICE TO THE PUBLIC!

It is the purpose of The Emporium Shoe Department to bring to Jacksonville the NEWEST STYLES and FINEST VALUES in women's shoes at all times.

In order for us to do so, we FIRST clean out all of the past season's shoes. WE WILL NOT keep style shoes in stock for FOUR or FIVE seasons before they are placed on sale. This procedure makes it possible for our customers to find the NEWEST styles in our store FIRST.

ALSO—WHEN GOOD VALUES IN SHOES ARE AVAILABLE WE WILL NOT HESITATE TO BRING THEM TO OUR CUSTOMERS.

## Jury Finds Accidental Discharge Of Pistol Killed Young Veteran

A coroner's jury meeting at the Gillham funeral home Saturday night found that Harry C. Holmes, 30-year-old veteran of World War II, died of a .22 calibre bullet wound accidentally inflicted with his own pistol. A resident of the Litterberry community, Holmes died at Our Saviour's hospital early Friday night after he had been found lying unconscious in a field by his employer, Arthur Smith.

## Elizabeth Hocking And Lloyd Lovell Married Saturday

In a simple but impressive ceremony performed Saturday evening at the Grace Methodist church, Miss Elizabeth Hocking, daughter of Mr. and Mrs. Oliver Hocking of Franklin, became the bride of Lloyd Lovell, son of Mr. and Mrs. Charles Lovell, also of Franklin. The Rev. Frank Marston officiated at the double-ring service at 8 o'clock.

The bride was attired in a gown of white satin, fashioned with sweetheart neckline and long fitted sleeves, and full skirt train. Her fingertip veil was held in place with a tiara of seed pearls. She carried a small New Testament topped with a white orchid showered with white daisies. Her only jewelry was a strand of pearls.

## Bride in Recent Rites

Mrs. Eldon W. Ross

## Margaret A. Chapman Weds Eldon W. Ross

Before an altar banked with lilies, white roses and tall burning tapers in candelabra, Miss Margaret Alice Chapman became the bride of Eldon Wayne Ross on Wednesday, June 30, at 7:30 p.m.

The bride is the daughter of Mrs. Eva Chapman and the late John Chapman of Jacksonville. Her husband is the son of Mr. and Mrs. Morris Ross of Modesto, Ill.

The double-ring ceremony was read by the Rev. Henry Loafman, pastor of the Baptist church of Modesto. Before the ceremony Wendell Ross, brother of the bridegroom, sang a group of nuptial songs, accompanied by Mrs. Paul Mahan, who also played the traditional marches.

Given in marriage by her grandfather, George Stults, the bride was lovely in a gown of white slipper satin, fashioned on Princess lines. The slim bodice was made with sweetheart neckline with lace insets at either side, tiny buttons down the back, and long fitted sleeves. The skirt, made en train, had rows of heirloom lace across the front panel from the waist to the hemline.

Her veil of tulle was trimmed with matching lace and held with a coronet of seed pearls and orange blossoms. She carried a bouquet of white gladioli centered with an orchid and wore a strand of pearls, the gift of the bridegroom.

Attending The Couple  
Miss Angela Killam of Chicago, formerly of this city, served as maid of honor, attired in a gown of pink organdy. She wore a tiny pink hat of net and short white lace gloves. Her flowers were a colonial bouquet of mixed blossoms.

Loren Ross of Peoria served as best man. Ushers were George Holmow, cousin of the bride, Carroll Rexroat of this city and Lloyd Crouch of Modesto.

## Funeral Services For Edward Hayes Held On Saturday

Funeral services for Edward R. Hayes were held Saturday at 3 p.m. at the Williamson funeral home, with Major Henri Servais officiating.

Flowers were cared for by Mrs. Eva May Dove, Miss Frances Hayes, Miss Annabelle Hayes, Miss Delores Hayes, Miss Donna Hayes, Miss Bonnie Lou Hayes and Miss Sheila Hayes.

Palbearers included Harry Doolin, Andy Carrigan, Carl Burmeister, Charles Finch, Lewis Burmeister and Clarence Osborn.

Burial was in Manchester cemetery.

## Mrs. Berchtold, Alexander, Dies At Home Saturday

Mrs. Elizabeth M. Berchtold of Alexander died at her residence Saturday at 4:20 p.m. She had been in failing health for the past two years.

Born August 9, 1875, in Alexander, she was the daughter of Stephen and Mary Berchtold. Her husband, she was the last member of a family of nine. She was married on August 12, 1903, to William Berchtold, who preceded her in death on April 12, 1938.

Surviving are two sons, Frank and Edward, a niece, Mrs. Mary Wieser, who resided with Mrs. Berchtold, and a number of other nieces and nephews.

She was a member of the Church of the Visitation in Alexander, of the Altar Society and of the Rosary Society.

The body was brought to the Reary funeral home and will be returned Monday afternoon to the residence. Funeral services will be held Wednesday at 8:30 a.m., standard time, at the Church of the Visitation.

The rosary will be recited Tuesday at 7 p.m. at the residence.

## Peter S. Newell's Descendent Lauds Historical Essay

Alfred Becker of Mill Neck, Long Island, N. Y., whose maternal grandfather was Peter S. Newell, the famous cartoonist, has written Miss Mabel Hall Goltz, 1545 Mound avenue, praising her essay written about his grandfather.

Miss Goltz won first place for this essay in the Morgan County Historical essay contest of 1947. It has been published in the June issue of the Illinois State Historical Society Journal.

Mr. Baker writes of this essay: "We are all delighted to see and to read your well-constructed Peter Newell article which is easily the outstanding piece in the June issue. Grandfather Newell would have been pleased that a poet from his native state helped place him in historical perspective."

"If only Miss Ellie J. Trabue had lived long enough to realize the gratifying result of your original effort which interested her so much. (Miss Trabue suggested the subject to Miss Goltz.) It seems to me that the printers did an excellent job with your illustrations, and particularly with the cover plate. I like the way you have combined incident with a general impression of Jacksonville milieu of the eighties."

## DANGER OF SPOTTED FEVER MAY PERSIST THROUGH SUMMER

Urbana, Ill., July 31—(AP)—Danger of infection with Rocky Mountain spotted fever, usually on the wane in Illinois after June, may persist through the summer, a state scientist said today.

Dr. Hubert H. Ross, entomologist for the state natural history survey, said the common tick, principal carrier of the disease, was remaining active because of the comparatively cool, wet weather.

Unless the weather takes a hot, dry turn, ticks may keep the hazard of infection alive to sportsmen and picnickers until fall, Dr. Ross said.

## Dollar Day Tuesday Will Put Inflation Trend Into Reverse

Jacksonville merchants are winding up for a hefty wallop at inflation on Tuesday, Aug. 3, when they will sponsor Dollar Day.

Bargains for the buying public is the big aim of Dollar Day. Coming at a time when price control is a national subject, it appears that Jacksonville retailers are more than willing to slash prices to bring about a revision which will benefit the consumer.

This will be the first Dollar Day here in several years. On several occasions the merchants have sponsored Opportunity Days, but this is the first old-fashioned Dollar Day for a long time.

**Help To Restore Dollar**  
The purchasing power of the dollar will be featured in the special one day sales event, despite the fact that the dollar has been subject to rough treatment since the war. By introducing hundreds of bargains which the public will be quick to recognize, local merchants will contribute immensely to restoring the power of the dollar.

Practically all stores are preparing to join in the big sales event under the direction of the Retail Council of the Chamber of Commerce. Banners announcing Dollar Day have been distributed to each store to be displayed in windows and over counters.

Some stores are featuring bargains at an even dollar. Others have knocked a sizeable percentage from the total cost of merchandise. The public will benefit from the general reduction of prices.

**All Kinds of Bargains**  
All lines of merchandise will be offered in connection with Dollar Day. Department stores, men's stores, women's stores, furniture and hardware dealers and other merchandisers have a hand in Dollar Day. The entire business district Tuesday will become a bargain center for thousands who are expected to take advantage of the sale.

Population increases here since the war have quickened the demand for consumer goods in many lines. The rapid expansion of the Jacksonville buying area also has been felt in replenishing stores. Jacksonville stores sell more goods than they used to—the flow of this city as a good place to trade has spread and with events such as Dollar Day, will continue to grow.

## County Invaded By Flying Disk, Balloon Or Sumthin'

Morgan county has suffered a lot. It's been invaded by dust from Kansas, mosquitos from Wisconsin, locusts from everywhere, and now—to cap the climax—flying discs from who knows where.

The latest invasion came quicker than creditors. In Henderson, route 2, Murrayville, was peacefully working in his fertile fields when he heard a noise in the sky. "I heard an airplane," Mr. Henderson stated, "and in looking for it I saw this strange silver ball over the roof of my house."

This was approximately 11:45 a.m. About an hour before, a flight of 27 four motored planes, presumably from the army, passed his farm. All this gave rise to some speculation, speculation speculated upon before, that the army is experimenting with some super-secret weapon. Some suggested that there was some connection with the "thing" and the recently-departed planes.

**Weather Balloon?**  
Others, with an eye to realism, stated that the "object" was probably a weather balloon. However, this proposition raised some doubts. From 11:45 a.m. until 3 p.m., "daylight time", the intruder was still in the sky, at about the same azimuth. Its altitude, whatever that might have been, didn't change too much.

A Jacksonville meteorologist stated that, within his experience, balloons "might possibly remain in the same position for as long as four hours." He added that this would happen whenever the leakage from the balloon and the pressure above became equal. The gas-filled bag, in such a situation, would stay at the same relative height.

The meteorologist added it was not a common occurrence, however. "Hard to See Without Shade" The silver ball seemed to be located at about 265 degrees on the compass. Mr. Henderson said he

## Social Events

**Shower Given For Miss Betty Summers**  
A linen shower was given Friday evening by Mrs. Russell Masser, 409 Hardin avenue, complimentary to her daughter, Betty Summers, who will become the bride of James Allan on Sunday, Aug. 8.

Refreshments were served by the hostess, assisted by Mrs. Dorothea Reynolds.

Those present were Mrs. James Allan, Sr., Mrs. Charles Israel, Mrs. Louis Kennedy, Mrs. Wilbur Patterson, Mrs. Cecil Patterson, Mrs. Wayne Bracewell, Mrs. Servais, Mrs. Lena Francis, Mrs. Dorothy Hazelwood, Mrs. Guy Coultas, Mrs. E. H. Imboden, Mrs. Darwin Ronat, Mrs. Hettie Dennis, Mrs. Dorothy Reynolds and Mrs. Harley Holt, Jr.

## RETURN FROM 10-DAY TRIP THROUGH SOUTH

Mack Watson, 201 S. Prairie street, and George H. Harny, 340 W. Beecher ave., have returned from a ten-day motor tour of southern states.

The 2,300 mile trip took them to the Lake of the Ozarks, Arkansas, Mississippi, Louisiana, Alabama, Tennessee, and Kentucky. They found fine crops all along the way and were particularly impressed by the unusually busy lumber camps.

They visited Mr. Watson's sister, Mrs. Mildred Lauber, in Mobile.
